Survey: Hospital Related Organizations

Step 1

Please identify all organizations that are related to the hospital. For the purposes of this survey, a person or entity is considered to be related to a hospital (“Related Organization”) if that person or entity:

- (a) meets the criteria of a related party transaction for financial reporting purposes as defined in your respective financial accounting standards used to prepare the annual financial statements of the hospital (e.g., The financial statements have been prepared by management in accordance with Canadian public sector accounting standards including accounting standards that apply only to government not-for-profit)
- (b) was incorporated or established for the purpose of supporting hospital operations, whether or not it meets the related party criteria specified in paragraph (a). This could include a hospital foundation, research institute, shared service organization, or any other for-profit or not-for-profit organization that was created for the purpose of supporting the hospital.

Step 2

- For every Related Organization, please identify if any hospital employees received any compensation or other direct benefit from the Related Organization in fiscal year 2023/24. This may include salary/wages, honorariums or gifts-in-kind.

Step 3

- Specify the number of hospital employees who received compensation or any type of benefit from the Related Organization in fiscal year 2023-24.
